The Company has not revised its financial statement or the Report in respect of any of the preceding three financial years either voluntarily or pursuant to the order of any judicial authority.

2. GENERAL INFORMATION

Overview of the industry and Important changes in the industry during the last year, External Environment and Economic Outlook:

The expansion of retail food chains, demand for frozen food, technological innovations in the packaging industry, government initiatives is the key factors contributing to the growth of the Individual Quick Freezing market during the forecast period.

The primary consideration for deep-freezing is the rate at which the temperature of the food is reduced, whether it is meat, vegetables, or baked products. Longer the freezing process takes, the more time there is for the water molecules contained in the food to come together to form large ice crystals. These can pierce the cell membranes and damage the tissue, with the result that the frozen food loses its form and structure while vitamins, nutrients, and flavors are also lost.

Growing consumer demand for ready to eat meals across the globe is propelling the individual quick freezing (IQF) industry, and the increasing availability of non-seasonal food commodities is expected to have a strong influence on the individual quick freezing (IQF) industry. Furthermore, the development and expansion of retail food chains in the advanced countries are also predicted to influence the individual quick freezing (IQF) industry significantly. Increasing government initiatives to minimize food wastage is forecasted to produce more possibilities for key players in the industry.

The benefits of this method of preparing frozen food are that the process isn't time-consuming. The exact time depends on the type of IQF freezer and the product. The short freezing prevents the formation of large ice crystals in the product's cells, which makes the product to be in its shape, color, smell, and taste after defrosting, to a far greater extent. An added advantage of IQF technology is its ability to separate units of the products during freezing, which produces higher quality product compared to block freezing. This advantage is also vital for food sustainability, as the consumer can defrost and use the exactly needed quantity. The greenhouse gas discharges during the production process are one of the main restraining aspects of the industry.

Rising consumer preference towards longer shelf-life, healthy food, and technological innovations in packaging will additionally fuel the expansion of the IQF fruits and vegetable market. Growing demand from food manufacturers to preserve food products for an extended period of your time for usage as an ingredient in final products is another primary expanding the IQF fruits and vegetable market.

Independent Auditor's Report

To the Members of
SOLITAIRE DRUGS & PHARMA PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **SOLITAIRE DRUGS & PHARMA PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss for the year ended, Cash Flow Statement on that date, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and its profit/loss for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we concluded that there is a material misstatement of this other information, we are requested to report that fact, we have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the company in accordance with the Accounting Standard and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the company's internal control system.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, We give in the Annexure A statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.

A As required by Section 143(3) of the Act, we report that:

NOTES TO FINANCIAL STATEMENTS

As on March 31, 2021

1. **Corporate Overview:** The Company is mainly engaged in the agribusiness project of processing & preserving Fruits & Vegetables into frozen through Individual Quick Frozen (IQF) technology.

2. **Summary of Significant Accounting Policies:**

2.1 **Basis of Accounting**

The financial statements of the company are prepared in accordance the Generally Accepted Accounting Principles in India (Indian GAAP). The financial statements have been prepared on an accrual basis and under the historical cost convention. GAAP comprise applicable accounting standards specified under section 133 of the Companies Act 2013 red with Rule 7 of the Companies (Accounts) Rule 2014, other pronouncements of the Institute of Chartered Accountant of India, relevant applicable provision of the Companies act 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard required a change in the accounting policy hitherto in use. All asset and liabilities have been classified as current or non-current as per the company normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The company has ascertained its operating cycle as 12 month for the purpose of current and non -current classification for assets and liabilities.

2.2 **Use of Estimates**

The preparation of the financial statement in conformity with generally accepted accounting principals in India requires management to make estimate and assumption that affect the reported amounts of revenue and expenses for the financial year, reported balances of assets and liabilities, and disclosure relating to contingent liabilities as at the date of the financial statements., The estimates and assumption used in the accompanying financial statements are based upon management/s evaluation of the relevant facts and circumstances as of the date of the financial statement. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.3 **Revenue Recognition**

Revenue from sale of goods is recognized on delivery of goods to the buyer which coincides with the transfer of all significant risks and rewards of ownership and is net of trade discount, sales returns and sales tax where applicable. Revenue from domestic sales is primarily recognized on dispatch basis. Revenue from services is recognized as per the term of contract with customers when the related services are performed.
